COMMITMENT

We have been organising competitions and festivals ,
breaking down geographical and psychological barriers
in travelling during difficult times, adapting to
challenges in the face of COVID pandemic and online
teaching and 3 years break in Tap Competitions.

As a result, we kept the spirit within the community
and had also 5 new countries joining the IDO in Tap
Dance: **Hungary, France, Lithuania, Ireland and Austria.**

MODERATOR

MODERATOR is one of the keys to a successful event. Our competition will be hosted by Tomáš Slavíček, who does great openings and parades. He is well known for his big smile, endless energy and speed without being rushed.

He knows most of the dancers in person and always makes the best bridge between the dancers, the audience and the IDO team.
